

# Emmanuel

From the cave of darkness  
a baby comes to light.

In the nick of time,  
eternity tonight.

In a world of error  
a perfect child is birthed.

In the midst of terror,  
peace arrives on earth.

In the chill of winter  
dawns this blazing son.

To a world of sinners  
comes this sinless one.

In a land of chaos  
speaks this single Word

whose voice can raise the dead,  
whose promise can be heard.

Even as he cries  
sleepers stir beneath the sod

for nothing is impossible  
with God.
