Links? Links.

Here are some things I read recently but didn't get around to blogging about:

- White guy Victor Davis Hanson <u>decides who counts as black</u>. A strong candidate for year's worst column in an ostensibly respectable publication.
- A <u>McRib</u> conspiracy theory
- We are living in the conservative recovery
- Honey laundering
- Don't be a bully! Unless it's part of your religion, of course.

Links are also posted throughout the day in the right-hand sidebar of my <u>main blog</u> page and in <u>this RSS feed</u>.
