New today from the Century:

- The editors on <u>U.S.-Iran relations</u>: "In 2009, U.S. talks with Iran broke down because the U.S. was seeking quick results. It's time to try again."
- Steve Vineberg reviews Steve James's film <u>The Interrupters</u> (subscription required)
- Gretchen Ziegenhals blogs the lectionary
- Carol Howard Merritt on some ways to save the family

In the news:

• Megadeth star takes thrash metal--and seminary--on tour
