New today from the *Century*:

- The editors on [faith-based partnerships](#): "Obama's OFNBP has kept a low profile. It's also sidestepped the thorniest issue around partnerships between faith-based groups and government."
- [Phil Waite](#) and [Ayanna Johnson](#) on what else, besides commentaries and the like, they read when they're preparing sermons
- Ryan Dueck on [word games about God](#)
- Robert Rimbo [blogs the lectionary](#)
