

Other people saying things

By [Steve Thorngate](#)

April 23, 2015

"So why was the first Earth Day effective when the 45th promises to be [just another day of feel-good fairs and corporate green-washing](#)?"

"Parents who are truly destitute go to jail over and over again for child support debt [simply because they're poor](#)."

"Obama seemed to go out of his way to signal that he does in fact view the Armenian slaughter as a genocide, [without using the actual word](#)."

"Prepare for [an era of brand driven censorship](#)."

"I don't even know what that means, '[closed adoption](#).'"

"[Songs from Slow Train Coming and Saved excepted](#) (too easy)."
