

# Link digest

By [Steve Thorngate](#)

November 12, 2010

Wow. Apparently competitive marathon preaching [is a thing](#).  
Almost six hours.

There is actually a governmental organization focused on getting Americans to [eat \(even\) cheesier fast food](#).

Here's the [tough cost-benefit health care issue](#) people don't want to talk about.

A lot of the young Americans fighting in Afghanistan were [just kids](#) on 9/11.
