Link digest

By <u>Steve Thorngate</u> November 12, 2010

Wow. Apparently competitive marathon preaching <u>is a thing</u>. Almost six hours.

There is actually a governmental organization focused on getting Americans to <u>eat (even) cheesier fast</u> <u>food</u>.

Here's the <u>tough</u> cost-benefit health care issue people don't want to talk about.

Α

lot of the young Americans fighting in Afghanistan were just kids on 9/11.
