

"The All-Organ-Blast-N-Make-Younger-Machine"

By [Steve Thorngate](#)

September 22, 2011

This video from American Public Media's Marketplace isn't the funniest Dr. Seuss ripoff ever, but it does accomplish the unlikely feat of making the health-care arms race entertaining. If your hometown's plan for prosperity involves becoming the next Pittsburgh--where the iconic U.S. Steel Tower now wears the initials of the University of Pittsburgh Medical Center--take note:

[Oh The Jobs \(Debt?\) You'll Create!](#) from [Marketplace](#) on [Vimeo](#).
