

Links? Links.

Now that I'm posting on a solo blog again, I'm going to start including the occasional link-roundup post separately from the "new today" digests of *Century* content. Links are also posted throughout the day in the right-hand sidebar of my [main blog page](#) and in [this RSS feed](#).

Anyway, here are some things I read recently but didn't get around to blogging about:

- [Will a "secret farm bill" be passed this week?](#)
- ++Rowan [wants a bank tax](#).
- [Confessing pacifism, repenting in love](#)
- In God we [still](#) trust.
