What's the gospel in seven words? We asked theologians, pastors and others both to answer this question and to

We live by grace.

By grace we're created in

the image of God. When we corrupt our lives with sin, the grace of God in Jesus Christ forgives us and makes us fully alive again. By grace the Holy Spirit binds us to this savior, includes us in the church, moves our chaos over to create beauty, and interrupts our plans with God's dream that we too become gracious. Along the way the holy image re-emerges in our lives.
