

Kermit and Piggy meet the British press

By [Steve Thorngate](#)

January 30, 2012

Weeks ago I [ranted](#) about Fox News's absurd piece on how the new Muppets movie is out to turn children into free-enterprise-hating liberals. Now the film's about to come out in the U.K., and naturally Kermit and Piggy are doing press around the release. Turns out they're perfectly capable of defending themselves on their own:
