Here are some things I read recently but didn't get around to blogging about:

- More on [Santorum and eco-theology](#)
- [Yes](#), the Obama administration talks about freedom of religion.
- [How a new lawsuit could overturn the contraceptives mandate](#)
- A [series](#) in which women talk about NFP
- Rick Warren apparently [credits the Anabaptists](#) for a lot of his success.
- A nice [dig](#) from Paul Krugman
- Another even-numbered year, [another debate over whether there's such thing as a "Catholic vote"](#)
- [Today in ridiculous scapegoats for violent crimes](#)

Links are also posted throughout the day in the right-hand sidebar of my [main blog page](#) and in [this feed](#).
