

Diana Butler Bass: *Christianity After Religion*

By [Carol Howard Merritt](#)

As we read about the rise of the spiritual but not religious, how do we respond? Do we think of it as a threat? A challenge? Or do we resonate with the category?

What are the SBNR's telling us about the church? How should the church be responding?

Join Derrick Weston and me for an insightful conversation with Diana Butler Bass, as she reflects on these questions.
