New today from the *Century*:

- Will Willimon on [the goal of seminary](#): "For all their problems, churches are often a good deal more self-critical and boldly innovative than seminaries." (subscription required)
- Maryann McKibben Dana on [Newtown victim Noah Pozner](#)
- Laurel Mathewson [blogs the lectionary](#)
- A brief review of Cascade's new collection of [Joseph Sittler's speeches and sermons](#)
