“People who are experiencing homelessness are people. They are not [extras in a movie about you](#).”

“[Millions of men stare at Beyonce’s beautiful body all the time](#) without even having a moment of thinking that they get to rape her. Sexual desire doesn’t create rape. The belief that women are property does.”

“Tommy Muska, the mayor [of West], echoed Governor Perry in the view that tougher zoning or fire safety rules would not have saved his town. [‘Monday morning quarterbacking,’ he said](#).”

“What if Mark Driscoll had a daily television show where he could say anything he wanted? Might we not surmise that before long he would amass [a \[Pat\] Robertson-esque portfolio](#)?”

“But why worry about these people, when [the Times has a tattooed and mustachioed dummy](#) and its writers know how to make him speak?”

“[A man on the road is solitary. A woman on the road is alone](#). This is not cute wordplay, but a radically different social experience.”

“Had we gotten into a fight that night, every one of us knew how the police would have seen us, and what they would have done. Violence is wrong. [Violence done by black men is more wrong](#).”

“It was said that a copy of *The Da Vinci Code* had even found its way into the hands of renowned monarch the Queen. He was grateful for his good fortune, and gave thanks every night in his prayers to [renowned deity God](#).”

“Horse's Big Space Adventure transformed into holding a plastic horse in the air, hoping it would somehow be enjoyable for me. Prehistoric Crazy-Bus Death Ride was just smashing a toy bus full of dinosaurs into the wall while [feeling sort of bored and unfulfilled](#).”

"It's a household task organizer, a platform for publishing legal documents, and now it's also [a place where Gregorian chant fanatics can hack church music](#)."

"[That](#) was a pretty racist thing for me to do."
