"My anecdotal gestalt impression is this SC shooting is actually [a Road to Damascus moment for a nontrivial number of conservatives.](#)"

["Iraq exists only in the minds of people in the White House."](#)

"I've never heard [a farmer use so many curse words.](#)"

"The Forest Service, as I said, maintains no trails in Mann Gulch. But [it does maintain crosses.](#)"

'Our country is not alone in being founded on the backs of slaves. But it may be unique in [systematically educating white children to forget about this.](#)"

"One could also argue about the differences between the NFL and women's soccer, but [it is indisputable that both qualify as sports.](#)"

["Farm Aid is a whirlwind that blows through town,](#) and we all hope to catch some of it in our sails."

"Neither Flagstaff nor any of the other International Dark Skies Communities has turned into [a commerce-free, crime-filled Gotham.](#)"

"Visiting from where? you might ask. [From nowhere.](#)"

"When driving down her street in Maryland, Su often pressed her garage-door opener in order to find her house."

["Zero phones in each box?](#) That's definitely not enough phones."

["A conversation about God is not about a man, and does not fail;](#) and a conversation with God is not with a woman, and does not pass."

"If the Dead Kennedies do not like the man so don't I. [I also don't like fashists.](#)"
