Gift lists in the magazine

By <u>Steve Thorngate</u> December 1, 2014

This year, instead of <u>soliciting writers to do end-of-year lists</u> of books, music, and TV/film in specific areas, the *Century* asked its <u>editors</u>, <u>columnists</u>, <u>and hosted</u> <u>bloggers to each</u> select three items we'd like to give to others and three items we hope to receive, in whatever area. <u>My list</u> includes Eula Biss, *The Good Wife*, and, of course, Dylan.

Read it <u>here</u>, and read everyone's lists <u>here</u>.
