

Hubs, salt, and grace

by [Carol Howard Merritt](#)

February 21, 2015

This was a presentation I gave on communications on the 21st century at the Milwaukee Presbytery for their Discovery Days event.

Just a note on the slides... I didn't have slides at the event. I simply put my notes on the slides. If I had used them in a presentation, they wouldn't be so wordy and simple. And, they wouldn't have included so many typos!
