

Other people saying things

By [Steve Thorngate](#)

February 26, 2015

"That confusion—[the inability to tell the difference between God and King Herod](#)—explains much of Huckabee's ideology."

"When you take this reality of everyone measuring everyone else's prayer mat to ensure it is the appropriate size...and you combine it with the millennialistic/apocalyptic component, then [for all its strength ISIS becomes quite weak](#)."

"The carpenters, electricians, and construction workers were joined by the NFL Players Association, which has [a small local up in Green Bay](#)."

"I, for one, look forward to an entire generation of mularists depicting [hard working, salt of the earth currency traders manipulating foreign exchange rates](#)."

"I'm really appreciating [the Christian Century's sarcasm](#)."

"We've established that [Harvey Cox and I both wrote for Christian Century AND Playboy](#). Anyone else in that club?"

"This isn't death: this is new life. [It just looks a little different](#)."

"[The first time I didn't feel sad about feeling sad](#) was on Sept. 17, 2013."
