

Other people saying things

By [Steve Thorngate](#)

May 14, 2015

"The Gulf situation is a miniature version of [the chicken-and-egg question that bedevils Amtrak as a whole](#)."

"The standard progressive approach of the moment is [to mix color-conscious moral invective with color-blind public policy](#)."

"Even if St. Clair could drive every patient, [transportation is where Fund Texas Choice's job ends](#). Women need other help once they get to the clinic."

"In every building we have, [I put in white tenants](#)."

"The glimpses I get of [her life beyond the trolling and the stalking](#) tell me a different story."

"Several people volunteer to [sit silent shotgun](#) in a Sweetums Muppet costume."

"You're there, and [there is a game being played](#), but then again, there's the sun, and what's that guy doing with his stomach over there?"

"It's a travesty that Adobe hasn't [renamed Photoshop after them](#)."

"My duty as a priest is to serve people spiritually, not to [physically fight the devil](#)."
