Other people saying things

By <u>Steve Thorngate</u> May 14, 2015

"The Gulf situation is a miniature version of <u>the chicken-and-egg question that</u> <u>bedevils Amtrak as a whole</u>."

"The standard progressive approach of the moment is <u>to mix color-conscious moral</u> invective with color-blind public policy."

"Even if St. Clair could drive every patient, <u>transportation is where Fund Texas</u> <u>Choice's job ends</u>. Women need other help once they get to the clinic."

"In every building we have, <u>I put in white tenants</u>."

"The glimpses I get of <u>her life beyond the trolling and the stalking</u> tell me a different story."

"Several people volunteer to sit silent shotgun in a Sweetums Muppet costume."

"You're there, and <u>there is a game being played</u>, but then again, there's the sun, and what's that guy doing with his stomach over there?"

"It's a travesty that Adobe hasn't <u>renamed Photoshop after them</u>."

"My duty as a priest is to serve people spiritually, not to physically fight the devil."
