Lullaby Confessions Presents Tropical Encouragement

by various artists

self-released

For this second disc in the Lullaby Confessions series, producer-songwriter Barrie Buckner Jr. delivers something unique: lullabies with an easy, breezy tropical bent. Aided by longtime writing partner and producer R. J. Young, Buckner knits a

dreamscape that sounds like sultry R&B channeled from a nearby nebula. The lovely, melodic “Contagious” is sung by Michelle Mai, while “Good Courage” features Ami Kosaka (and quotes Deuteronomy). It’s not just for young ones but for reverie-prone adults as well.
