Daily Feast

Edited by Kathleen Long Bostrom, Elizabeth F. Caldwell and Jana K. Riess
Westminster John Knox

A spin-off from the 12-volume lectionary commentary *Feasting on the Word*, this work offers readings, reflections and prayers for each day of the church year. The

materials for each week are taken from and lead up to the coming Sunday texts in the Revised Common Lectionary, which makes this book ideal for members of a church staff preparing to hear (or preach on) the Sunday texts. The reflections are all snippets from the relevant essays in *Feasting on the Word*.
