

when My Son rolled

by [Carl Winderl](#) in the [April 21, 2019](#) issue

away the stone

sealed with
wax and guarded
by a pair
of rome's finest,

rolled it away far

far far away
from His
tomb's mouth

it rolled and
rolled and rolled
away over and
over until it

covered over for
-ever and ever

the Hole in
My Heart left by
