

Agnus Dei

by [Helene Bouman Debelak](#) in the [July 3, 2019](#) issue

*In memoriam, Paul Bouman, 1918-2019*

There is a sacred place for quiet remembering  
Sorrow here a little while  
Kyries, soft like vesper sparrow  
sing well into the evening  
Listen to the solace of thanks  
faithful to be  
there in our heads  
our understanding  
Now resting  
awake to the music
