December 24, 2019

Daisy Ridley and the cast of *Star Wars: The Rise of Skywalker*

On this special Christmas Eve Sunday Morning Matinee, Matt and Adam talk about stories, Christmas and Star Wars: The Rise of Skywalker. Considering that Star Wars might be the most important pop culture property of the past 100 years, it is fitting to gather and talk about the last film in the Skywalker Saga. Matt and Adam talk about the problems and merits of The Rise of Skywalker before trying to connect the story to the season of Christmas and Epiphany. Finally, the two end the show with a discussion of film archives and christmas bobby traps. So if you are driving home for Christmas or have run out of things to say to your family, come and join Matt and Adam for a little holiday fun.
