

Episode 74: 2020 Oscars recap

February 11, 2020

On this week's Sunday Morning Matinee, Matt and Adam talk about how the Academy Awards disrupted their own narrative by awarding the Best Picture award to Bong Joon Ho's masterpiece *Parasite*. After heaping praise on *Parasite* (and scorn on the award show), Matt and Adam discuss a great year in movies and note some of their own favorites.
