Pixar's *Onward*

As Holy Week begins, Matt and Adam talk hope, resurrection, and Pixar's newest movie, *Onward*. Considering everyone is sheltering in place, it is time to tuck in and watch a good old-fashioned adventure movie. A movie about courage, magic, and partially resurrected dads! In the first segment, Adam and Matt talk about resurrection, magic, and Eastertide. In the second segment, Adam and Matt talk about the RCL texts for Easter and how *Onward* can help us better understand the resurrection accounts. Finally, Adam gets nostalgic and Matt talks about his favorite movie theater. Grab your wizard staff and let's do this. Onward and upward!
