

Episode 79: *Apollo 13*

May 7, 2020

Tom Hanks in *Apollo 13*

Ooooooh boy. Well this is a week late! A quarantine fog set in and delayed this podcast. Forgive us for our lateness. Today we rest in the confidence that grace abounds.

That said, this is a great episode! We have Eric Barreto from Princeton Theological Seminary, talking smart about Apollo 13, the need for agility in this time, and the book of Acts. Matt says some very smart things about duct tape. Adam chimes in with ideas about leadership. This is a good conversation. You should listen to it, even if it is talking about the lectionary passages from a week ago.

So buckle up, get in your space shuttle, and blast off to another episode of Sunday Morning Matinee.
