I teach conflict transformation. If Trump's speech were a student paper, here's how I would respond.

## by Ellen Ott Marshall

June 4, 2020

Like many people, I was outraged by President Trump's speech and photo opportunity on Monday. Since I assess statements on violence for a living, I decided to offer him some feedback.

To read it, click on this preview image:

is president is to defend laws of our nation and wolted by the brutal orge and his family, the righteous cries and s of the rioting are peace ight to keep them safe. I of all peaceful all anarchists, violent

tion to safeguard their in Dallas, Texas, who attacked by dangerous w York's finest have are afraid to leave their Commented [MEO1]: Be sure to define your terms.

**Commented [MEO2]:** Define: What constitutes "peaceful" protest? It is unclear how your points connect with the tradition of nonviolent resistance. Remember how complicated the line can be between definitions of violent and nonviolent protest. This is not at all a simple distinction.

**Commented [MEO3]:** What a contradictory assertion! Obviously, "law and order" is no ally to protest, nonviolent or not. Even a cursory glance at history reveals that.

Commented [MEO4]: Specify
