

Vox pandemicae

by [Yehiel E. Poupko](#) in the [August 12, 2020](#) issue

to the making  
of books  
no end

vanity of vanities  
in viral times  
poems  
prayers  
sermons  
meditations  
hosts  
of pieties

vanity of vanities  
is this  
the worship  
I choose  
go feed  
go clothe  
and be  
mercifully still
