Welcome to Madang.

Madang is the outdoor living room of the world. Here, we invite you to sit and tune into unreserved, remarkable conversations with renowned authors, leaders, public figures, and scholars on religion, culture, and everything in between.

Here in the 13th episode of Madang, I converse with C. Christopher Smith, who is the senior editor of the Englewood Review of Books. Smith is the author of several books, including most recently *How The Body of Christ Talks: Recovering the Practice of Conversation in the Church*. In addition to writing and editing, Smith works with churches across North America, helping them cultivate a deeper life together in their places. In this episode I talk with Smith about the Englewood Review of Books, the body of Christ, spirituality for the journey, prayer, the messiness of life, *How the Body of Christ Talks*, and more.
