Artist-musician Chris Taylor writes that he was driving home one day, with his thoughts spiraling “into stress and sadness.” A truck pulled in front of him with the message “Jesus loves you” written on it. At first he thought, “What a cruel cosmic joke.” His next thought was to pray the Lord’s Prayer. “So I prayed the whole thing, top to bottom. Forgot I even know it . . . how simple and all encompassing it is.” He then produced the prayer in visual form.
