

*Angels Speaking Hebrew*, by Mark Podwal

Art selection and comment by [Lil Copan](#) in the [October 25, 2016](#) issue

Mark Podwal is known for his drawings on the *New York Times* op-ed page, as well as his illustrations for books inspired by Jewish legend, history, and tradition. In *Angels Speak Hebrew*, Hebrew letterforms and images have merged and are being carried off by angels. Podwal believes this art can help us “visualize and encourage prayer.” (From *Reimagined: 45 Years of Jewish Art*, by Mark Podwal © 2016, published by [Glitterati Incorporated](#))
