Welcome to Madang.

Madang is the outdoor living room of the world. Here, we invite you to sit and tune into unreserved, remarkable conversations with renowned authors, leaders, public figures, and scholars on religion, culture, and everything in between.

Here in the 25th episode of Madang I converse with the Rev. Dr. Graham Joseph Hill about the book we wrote together, [*Healing Our Broken Humanity*](#). Hill is state leader for Baptist Mission Australia (Western Australia), professor of world Christianity and mission studies, and founding director of The Global Church Project. He is the author of 13 books, including *Healing Our Broken Humanity* (co-authored with Grace Ji Sun Kim).

This is a lively discussion about reconciliation, justice, lament, and the vision of the Sermon on the Mount for a radical church and a restored world. [*Healing Our Broken Humanity*](#) came out a few years ago, but recently there has been renewed interest in it as it recaptures readers' imaginations during this time of difficulty and brokenness.
