Welcome to *In Search Of*, a podcast where we go in search of voices and perspectives that inform and expand a life of faith. This week, we hear the story of Thecla, an early Christian philosopher. Dawn LaValle Norman tells us about Thecla's adventures—including carnivorous seals, and an all-female symposium—and the world of women philosophers in the first few centuries. Find out how Thecla flipped philosophy on its head on this episode of *In Search Of*. A transcript of this episode can be found [here](#).
