

At Majdanek

by [Israel Zoberman](#) in the [July 2024](#) issue

Where shall I find you

Family of mine?

I've come to reclaim what

Was left behind.

Perhaps someone can tell me

For I fail to see.

Only a blowing wind responds

To my plea.

The words of the Kaddish

I've brought to intone.

They too in the cold

Air are lost.
