Now these things never happened, but always are.
—Sallustius (4th century)
On the Gods and the World

imagined
dreamt
into being
like the gods
goddesses
sea deep monsters
dark forest ogres
satan jews
crucified children
blood baked matza
devil synagogue
poisoned wells
black plague
imagined jews
until
the haunting
became flesh
the flesh
became corpse
the corpse
became ash
never ever jews
