Micheal Ward and Amarah-Jae St. Aubyn in *Lovers'Rock*

Sunday Morning Matinee · #86 - *Lovers Rock*

After a holiday break, Adam and Matt return to discuss parties, worship, and Steve McQueen's new film *Small Axe: Lovers Rock*. In the first segment, Matt and Adam examine the film's themes and how they relate to theology and ministry. The two spend a long time discussing "the scene" of the movie (if you have seen it, you know the one). The two then discuss how *Lovers Rock* intersects with the lectionary passages for February 14. Finally, Matt gives some movie recommendations, and Adam falls in love with a kids' show.
